The Prestige Passport to Travel Club is a division of Prestige Travel Systems, one of the largest licensed, bonded and accredited travel companies in the United States, doing business since 1988. We are accredited by the Cruise Lines International Association (CLIA), the Airline Reporting Corporation (ARC), the International Airlines Travel Agent Network (IATAN), and are endorsed by the world's major airlines and travel providers. We are also a member in good standing of the American Society of Travel Agents (ASTA), and licensed & bonded as a Seller of Travel in the states of Florida, California and Nevada. This puts us in a unique position to obtain volume discounts - on cruises and land vacations - for club members. All these elements come together to provide our members with the best value and service in the travel industry.

All offers are based on availability and are subject to change. Some member offers require activation fees within a specified time period. Cruise and hotel vacations require guests to be at least 21 years of age. Detailed terms and conditions for offers are provided in your member package.
